

In the beginning...

Many Christians understand the important of reading the Bible, but they don't know where to start. *The Canadian Lutheran* is therefore pleased to provide this Bible reading plan. Every issue of the magazine will include the next set of readings as you walk through the Bible.

If you follow the readings regularly, you'll finish reading the entire Bible in two years. But you'll note there are no dates written here. That way, if you fall off track for any reason, you can always come back and continue from where you left off. Daily Bible reading is a healthy spiritual practice. If you haven't started before, start today!

“Whoever would know God and have eternal life should read this Book with diligence and search for its testimony of Christ, God’s Son.”

- Martin Luther
