

Hear, O Israel...

If you started this reading plan after getting your last issue of *The Canadian Lutheran*, chances are you'll be about 9 or 10 weeks in when you get this one. Great job! By now the practice of daily Bible reading should be becoming second nature.

This issue's readings can be tough, especially Leviticus. In fact, this book is where many people on their first time through the Bible quit. But persevere! The readings get easier!

If you haven't joined the reading plan, why not start today? Find the first set of readings in the January/February 2015 issue of the magazine, or visit www.canadianlutheran.ca/biblereading/.

"I wish for nothing so much than that all Christians would be engaged with Divine Letters... In Scripture, you will find nothing that is not majestic."
- Philip Melancthon
