

## Busy summer for missionary in Ukraine

### DNEPROPETROVSK, Ukraine

- As in the previous years, this year's church youth camp was held at a campsite at the Black Sea for seven days. The theme was "Freedom", and the slogan-verse Galatians 5:1: "It is for freedom that Christ has set us free." Every day we studied one aspect of this theme—freedom from sin; freedom from fear and timidity; freedom from anger and unforgiveness; freedom for zealous service. The camp included young people from our church and a few non-believers for a total of about 100 people from churches in Odessa, Kagarlik, Nikolaev, Dnepropetrovsk, Novaya Kahovka, and Yalta. The camp was successful in terms of both organization and spiritual content.

### Children's summer camps

By the grace of God we held children's camps (VBS-type programs) in the churches in Novaya Kahovka, Nikolaev, Kagarlik, Krasnoperekopsk, and also during the Days of Faith. The group of workers this year consisted of five people. The theme was taken from John Bunyan's book "Pilgrim's Progress" and, according to our estimates, around 200 children had the opportunity to spend time at the camp.

### Alpha and Omega student camp

From August 14–23 the Alpha and Omega camp attracted 200 young students. What was unusual this year was that about 120 orphans from different orphanages and specialized schools were also in the same campground. Some of them (the oldest) came to our services to listen to the sermons and participate in discussion groups and evening programs. For many of them it was the first time they had ever heard the

news about the forgiveness in Christ. The Lord brought 13 people to faith during the camp.

Please pray for the ministry and for our family. We all know the schemes of the enemy, who wants

us to be idle, sad and to focus on our problems and mistakes. That is why we ask you to pray for us, so that we "will not grow weary and lose heart" (Heb. 12:3).
